## THE HOT AIR PAGE

We're pleased to present this Mail Bid Sale. We feel that it provides a broad spectrum of material, some very unusual and scarce. You will note that we have added one item to our terms. We do not normally accept bids of under \$10.00. We make every effort to list items valued in excess of \$25.00. Since our minimum commission is \$5.00 per lot, bids under \$10.00 do not provide adequate returns for our consignors. This policy will effect very few of you who are our regular customers and are versed in the market value of coins.

We have plans for two exciting floor and mail auctions. The first will be held February 24—26, 1978, in conjunction with the Suburban Washington, D.C. Show. For this auction we have an outstanding collection of Slavery tokens, seige coins, early Scandinavian, choice minors and crowns, key date German, U.S. and Ancients. Consignments are currently being accepted for this auction and will be until December 12, 1977.

The second sale on our calendar will be the S.I.N. Convention Auction in Los Angeles, April 27—30, 1978. Consignments will be accepted for this sale until early February. We are looking for both choice U.S. and foreign coins for this sale.
